Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$500,000.00 for the Fayette Sewer System Improvement Project in fiscal year 2010. The entity to receive funding for this project is City of Fayette, located at 102 Second Avenue Fayette, AL 35555. The funding would be used to rehabilitate the waste water system along Highway 171 and 7th Avenue. The sewerlines have cracked allowing infiltration to enter the lines. As a result sewer system overflows are a major problem in this area. Taxpayer Justification: Funding of this project will eliminate a serious health threat to the residents of this section of Fayette, Alabama.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

Robert B. Aderholt
